

Automatic Sliding Gate

Heavy Duty AC Series

800KG
ATG-A800

SPECIFICATIONS

Torque: 18Nm
Voltage: 220V 50Hz
Noise: < 56db
Protection Level: IP44
Weight : 13Kg
Power: 370W-1200W
Speed: 1400r/min
Certificateds: CE
Move Speed: 200mm/s
* 400W @ 800Kg/doors

Functions

- Totally integrated electrical mechanical system (excludes racks)
- Control board interface for optional impact-proof infrared photocells
- Auto gate stop and re-open when an obstacle is encountered
- Alarm lamp interface
- Automatic delayed closing.
- Adjustable resistance sensitivity
