

คุณสมบัติ

Dimension: 280mm x 200mm x 1100mm
Frequency: 125KHz
Support chipset:
RFID4100/RFID4200/TK4100
Reading distance (Max): 30-100cm
Output: Wiegand26, RS232, RS485
Response speed: less than 0.2s
Inside antenna: have
Working voltage: DC12V
Working current: 70mA
Embedded speakers: buzzer
Temperature operating: -25 degree to 75 degree
Operating humidity: 10-90%

Inside of card reader

การประยุกต์ใช้งาน

- Parking management system
Door/gate access control
E-password
Home Banking
- Home Shopping
Time attendance
Digital signature
